

To Whom It May Concern,

I am a player at North Coast Futbol Club, a competitive traveling soccer team. North Coast FC is the competitive arm of the Petaluma Youth Soccer League, a non-profit organization. We compete in tournaments and play in league games all over the State of California and some of our teams play in out of state tournaments as well. The traveling soccer program allows us players to play in a competitive environment against teams from other soccer clubs while teaching the value of sportsmanship, teamwork and dedication. Plus, we have fun!

Soccer at this level requires an extra commitment on the part of the players and their families. We practice three times per week and are coached by licensed coaching professionals. Our teams travel to other cities and states to test our skills against the best competition around.

In order to provide the best opportunities for us players, our team needs the support of everyone: the players, coaches, families and community. There are many expenses involved in running a successful traveling soccer team. I am raising money for our tournament and league fees, training, equipment, and travel expenses. In addition to my own fundraising efforts, I am looking for sponsorships from businesses in our community. Since North Coast FC is a non-profit organization, any contribution to North Coast FC is tax-deductible. Any donation is greatly appreciated. Donations should be made out to North Coast FC with my name and birth year in the memo to be distributed to my team expenses.

Name: _____ Team/Birth year: _____ Boys/Girls

I appreciate any consideration you give this request and for supporting youth soccer.

Sincerely,

Federal ID#94-2380871
State ID#D0800789
